INSTRUCTIONS (IFTA QUARTERLY TAX RETURN)

TAX RETURNS ARE REQUIRED EVEN WHEN NO OPERATIONS ARE CONDUCTED DURING THE REPORTING PERIOD.

A SEPARATE TAX RETURN MUST BE COMPLETED FOR EACH FUEL TYPE.

ANY ADDITIONAL TAXES DUE MUST BE POSTMARKED BY THE QUARTERLY DUE DATE, EVEN WHEN FILING ONLINE.

PAGE 1

Complete the top portion of the return – license number, licensee name, licensee address, fuel type, and reporting period.

OWNER/OPERATORS – If you are an owner/operator with a Missouri IFTA license and are leased to a carrier that reports your fuel taxes, you still must file an IFTA quarterly tax return.

1. List the name of the company that reports your fuel tax and mark the 'No Operation' box.
2. Sign and mail the return.

NO OPERATION – Mark X in this box if you did not operate a qualified vehicle(s) in any jurisdiction, including your base jurisdiction, during the quarter. Sign and mail the return.

AMENDED REPORT – Mark X in this box if this return corrects a previous return. Indicate the quarter and year of the return you are correcting.

ADDRESS CHANGE – Mark X in this box if changing or correcting a mailing address. Type the new address in the mailing address field on the form.

CANCEL LICENSE – Mark X in this box if you are filing a final return and requesting license cancellation. Attach unused decals to the form and return.

Line A Total miles traveled in all jurisdictions (IFTA and non-IFTA). Round to the nearest whole mile.

Line B Total fuel purchased in all jurisdictions (IFTA and non-IFTA). Round to the nearest whole gallon. Report all fuel placed in the supply tank of a qualified motor vehicle. (**Example: tax-paid purchases, withdrawal from bulk, purchases made from Indian Reservations.**)

Line C Average miles per gallon. Calculate MPG by dividing total miles (Line A) by total gallons purchased (Line B). Round to two decimal points.

COMPLETE PAGE 2 AND 3 BEFORE FINISHING PAGE 1

PAGE 2 AND 3

Column 2 **TOTAL MILES** – Enter the total miles traveled in each jurisdiction for this fuel type.

Column 3 **TOTAL TAXABLE MILES** – Enter the total taxable miles in each jurisdiction **minus** fuel trip permit miles. Fuel trip permit miles are not considered taxable miles in any jurisdiction. Toll miles and off-highway miles are taxable miles in most jurisdictions. Contact each jurisdiction for information on these exceptions. **NOTE: Mileage reported in column 3 cannot be greater than the mileage reported in column 2.**

Column 4 **TAXABLE GALLONS CONSUMED** – Divide column 3 by the MPG factor (Line C) on page 1. Round to the nearest whole gallon.

Column 5 **TAX PAID GALLON PURCHASES** – Enter gallons purchased from fuel receipts in column 5 for all qualified motor vehicles. (Example: Total all fuel receipts from Missouri. If purchases total 1,000 gallons, mark 1,000 in column 5 for Missouri. Total all receipts for Illinois. If receipts total 50 gallons then column 5 for Illinois will be 50.) Do this for each jurisdiction in which you purchased fuel.

BULK STORAGE – When using bulk storage, report only tax-paid gallons removed for use in your qualified motor vehicles. Fuel remaining in storage cannot be claimed until it is used.

SURCHARGES – Some jurisdictions have a surcharge calculated separately from the fuel tax. The following is an example calculation for a surcharge using an MPG of 5.0.

COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5	COLUMN 6	COLUMN 7	COLUMN 8
TOTAL MILES	TOTAL TAXABLE MILES	TAXABLE GALLONS CONSUMED	TAX PAID GALLON PURCHASED	NET TAXABLE GALLONS	TAX RATE AND SURCHARGE	TAX DUE/CREDIT EARNED
1,250	1,250	250	400	-150 difference in col. 4 & col. 5	X .10	-\$15.00
			Surcharge	250 Same as col. 4	X .05	\$12.50

NOTE: If the total of column 5 exceeds the sum of fuel purchased entered on Line B, the return will be rejected. Rejected returns must be corrected and filed. If a corrected return is filed after the original due date, a penalty and interest for all jurisdictions with a tax due is assessed.

INSTRUCTIONS (IFTA QUARTERLY TAX RETURN) CONTINUED

- Column 6 **NET TAXABLE GALLONS** – The difference between column 4 and column 5.
If column 4 is greater than column 5, subtract column 5 from column 4 and enter the taxable gallons in column 6. This is the tax due.
If column 5 is greater than column 4, subtract column 4 from column 5 and enter the taxable gallons in column 6. This is the credit earned.
The **surcharge** line for IN, KY, & VA will be the same as column 4. No credits for fuel purchases are given when computing surcharges.
- Column 7 **TAX RATE** – Enter the tax rate for each jurisdiction for each fuel type reported. Tax rates are subject to change each quarter.
- Column 8 **TAX DUE/CREDIT EARNED** – Calculate the tax due or credit earned for each jurisdiction by multiplying column 6 by column 7. This is the tax due or credit earned for each jurisdiction.
- Column 9 **INTEREST DUE** – For late or amended returns, interest is computed on the tax due from the due date of the return until payment is received. Interest is computed at .417 percent per month.
- Column 10 **TOTAL** – Add amounts from column 8 and column 9. This will be the tax due or credit earned for each jurisdiction.
- Box 11 This is the net result. Compute by adding positive number in column 10 (tax due) and subtracting negative number in column 10 (credit earned). The net result will be either positive (tax due) or negative (credit earned). Enter this amount in box 11 (bottom of column 10, page 3).

RETURN TO PAGE 1

- Line 12 Enter the net results of tax due or credit earned from box 11 (bottom of column 10, page 3).
- Line 13 Returns not filed by the due date are considered late and any taxes due are delinquent. A penalty of \$50.00 or 10 percent of net tax liability, whichever is greater, is assessed on late filed returns, failure to file, or for underpayment of tax due. If the net tax liability is zero or a credit, the late filing penalty is \$50.00.
- Line 14 If you have a credit from a previous quarter, you may apply that credit to the current filing. Credit can only be used from the eight preceding quarters.
- Line 15 **TOTAL REMITTANCE** – This is the total of all taxes, interest (if applicable), and penalty (if applicable).
- Line 16 **TOTAL REFUND** – Mark X in this box if you want a refund of overpayment. Net refunds under \$10.00 are carried forward as a credit. Overpayments are processed as a credit if refund box is not marked.
