DEPARTMENT OF TRANSPORTATION
1401 EAST BROAD STREET
RICHMOND, VA 23219

Stephen C. Brich, P.E.
Commissioner

September 4, 2019

TO: Affected Agencies and Shippers/Carriers
SUBJECT: Waiver for carriers transporting essential emergency relief supplies or providing emergency restoration of infrastructure services – Hurricane Dorian

In order to provide preparedness and response support to areas affected by forecasted severe weather from Hurricane Dorian, the Governor declared a State of Emergency to exist for the Commonwealth of Virginia and is seeking to grant temporary overweight, over width, registration, license, or hours of service exemptions to all carriers transporting essential emergency relief supplies to, through, and from any area of the Commonwealth. This authorization also applies to water, food, heating oil, motor fuels or propane, or agricultural products, agricultural supplies, livestock and poultry, livestock and poultry feed, forest products and salvaged wood, waste, and trees cut in preparation for the storm, or providing restoration of utilities (including but not limited to electricity, gas, phone, water, wastewater, and cable) or removal of waste to, through, and from any area of the Commonwealth in order to support the disaster response and recovery, regardless of their point of origin or destination.

As a result, the Virginia Department of Motor Vehicles authorizes a temporary waiver of registration and licensing requirements for carrier, and the Commissioner of Highways authorizes a temporary waiver of normal weight and width restrictions on roads throughout Virginia for the express purpose of ensuring that emergency essential supplies and services reach impacted areas in timely manner.

This waiver is effective beginning 12:00 PM September 4, 2019 until 12:00 PM September 19, 2019. This waiver only pertains to statewide shippers and carriers associated with emergency relief efforts. Weight exemptions are not valid on posted structures for restricted weight. The exemption shall not exceed the duration of the motor carrier's or drivers direct assistance in providing emergency relief, or 15 days from the initial declaration of emergency, whichever is less.
